The Chief Secretary
Finance Department
Govt. of Kerala

Respected Sir,

Activation of Government Accounts:

Please find enclosed three list of Government Accounts belonging to various departments and quasi-Government institutions functioning under the State Government.

1. The first list of Government Accounts pertains to those accounts which have remained inoperative and after 10 years of inoperative status, have been transferred to DEAF account of RBI as per instructions of RBI. We have listed out accounts with balances above Rs 1 lac. Activation of these accounts can be done with KYC of authorized signatories, the departmental orders of appointments of the authorized signatories and DEAF claim form, which is required to be submitted to RBI, for reclaiming the balance amount from DEAF account.
2. The second list consists of list of State Govt accounts with balances above Rs 1 lac, which have been inoperative for a period of 10 years and will be transferred to DEAF account of RBI on or before 31.03.2026.
3. The third list consists of Government accounts with balances of Rs 15 lac and above which have turned inoperative. These accounts will also be transferred to DEAF account as and when the age of the inoperative account crosses ten years.
4. For activation of accounts in the 2nd and 3rd lists KYC of authorized signatories and the departmental orders of appointments of the authorized signatories are necessary.

Necessary instructions have been given to our Branches to meet the authorized signatories in person for activation of accounts. Despite the same the pace of activation of accounts is very slow.
