Sir/ Madam,

Sub: International Energy Festival of Kerala (IEFK) 2025-reg.

Energy Management Centre (EMC) – Kerala under the Department of Power, Government of Kerala is the State Designated Agency (SDA) of Bureau of Energy Efficiency, Ministry of Power, Government of India. EMC is designated to co-ordinate, regulate and enforce the provisions of the Energy Conservation Act 2001 (Central Act 52 of 2001) in the State of Kerala.

You may be aware that EMC successfully organized the inaugural edition of the International Energy Festival of Kerala (IEFK) in 2024, coinciding with the 28th anniversary of EMC. The festival, held from February 7th to 9th in Thiruvananthapuram, served as a vibrant platform for knowledge exchange and collaboration on the theme of "Energy Transition and Climate Change." Esteemed organizations, including BARC, ISRO, World Resources Institute, CSTEP, Alliance for an Energy Efficient Economy (AEEE), India Smart Grid Forum, Vasudha Foundation, Council on Energy, Environment and Water (CEEW), and Prayas Energy, actively contributed to the event, establishing IEFK as a hub for innovation in the energy sector.

Building on the success of the 2024 edition, EMC is proud to announce that the second International Energy Festival of Kerala (IEFK 2025) will take place from **February 7<sup>th</sup> to 9<sup>th</sup> 2025, in Thiruvananthapuram** with focus on the theme "Decarbonizing Kerala". This event will provide a dynamic platform for knowledge exchange, collaboration, and discussions on sustainable energy practices. It will

Sreekrishna Nagar, Sreekariyam PO

feature innovative insights on clean energy, climate change, and energy transition strategies. The technical sessions and panel discussions are scheduled in IEFK 2025 featuring insights from esteemed organizations such as the India Smart Grid Forum, Global Building Performance Network (GBPN), WRI India, World Institute of Sustainable Energy (WISE), International Finance Corporation (IFC), Alliance for an Energy Efficient Economy (AEEE), Prayas, C-STEP, KPMG, CECFEE etc.

IEFK 2025 serves as a dynamic platform for showcasing the latest innovations in the energy sector, including cleaner fuel solutions, renewable energy technologies, energy storage systems, and electric vehicles. The event provides an excellent opportunity for participants to engage with future energy technologies and explore their potential applications. Additionally, the festival brings together industry experts and thought leaders, facilitating meaningful discussions, networking opportunities, and pathways for collaboration in research and innovation. The event also features technical sessions covering critical topics such as decarbonization, renewable energy integration, energy efficiency, and energy storage. These sessions will offer valuable insights and contribute to the academic and professional growth of all attendees.

We invite the officials of your organization to this important event. For more information and to register, please visit [www.iefk.in](http://www.iefk.in).

For further inquiries, please contact: Mr. Sarath Krishnan, Energy Technologist, EMC Kerala (Mob. 8089695880)

We look forward to your participation in making **IEFK 2025** a success and shaping a sustainable, energy-efficient future for Kerala!

Thanking you,

Yours faithfully,

  
Director
