- The Registrar, APJ Abdul Kalam Technological University,  
Thiruvananthapuram.

Sir,

Sub: Higher Education Department - India Skills Report 2025-  
Global Employability Test (GET) by M/s Wheebox India Pvt  
Ltd. among college students in Kerala - Reg.

Ref: G.O.(Rt) No. 1156/2024-HEDN dated 09.09.2024

The India Skill Report (ISR) is the premier report brought out annually by M/s Wheebox in collaboration with CII, AICTE, AIU, Google etc. The ISR which is published since 2014 provides data on the employability of final year students across all streams of students in colleges and Universities based on their replies on a questionnaire called Global Employability Test (formerly known as the Wheebox National Employability Test) and the replies of a cross section of employers in the country to capture their hiring intent.

The GET is intended to be conducted among final year students across higher education institutions (any stream). The test provides students with valuable insights into their strengths, weaknesses, and areas for improvement beyond traditional academic measures.

23/9/24

For attempting the test, the institutions need to register first through the following link - <https://globalemployabilitytest.org/LOGIN-2/campus-register.obj>

Once the institution has registered, the students from the institution can attend the test through the following link - <https://connect.asapkerala.gov.in/events/12917>. **The last date for the test is 5<sup>th</sup> October 2024.**

Vide G.O. cited above Government have accorded sanction for ASAP Kerala to become the state partner of India Skills Report 2025 with M/s Wheebox India Pvt. Ltd.

The participation of a large number of students from the State is essential for Kerala to shine in the Report thereby attracting more employers to the campuses and more companies to set up centres in Kerala. In an attempt to find a high ranking in the India Skills Report, ASAP Kerala has partnered with M/s Wheebox for promoting the GET among students in the state. Students are expected to take the test in the form of a questionnaire that covers the cognitive abilities, English language comprehension, behavioural traits and respective domain knowledge, all of which are actually tested by industries for placement. So taking the test actually gives an opportunity for students to know their skill gaps and to take steps to bridge those skill gaps by taking add on courses.

Government of Kerala is committed to ensuring better opportunities in terms of placements, skilling, wages, etc. The participation of our students in the GET is an attempt to ensure the same. I am therefore to request you to direct the colleges under your control to extend support to ASAP Kerala for ensuring maximum participation of students in the test.

Yours Faithfully,  
JAYASREE T V  
UNDER SECRETARY  
For Secretary to Government.
